1. Socioeconomic status is not important when getting an education.

2. Intelligence is static.

3. People never change.

4. We are products of our environment.

5. A second chance can be the last chance.

6. Peace can be found in pain.

7. Show me your friends, and I will show you your future.

8. The people around me support my decision to succeed in college.

9. There are helpful resources available in my community.

10. Our choices determine the legacy we leave.
